OUR MARKETING FORMULAS

ARE CAPABLE OF REDUCING AND SOMETIMES ELIMINATING INVESTMENTS

→ RIGHT OF WITHDRAWAL

Our cooperation does not satisfy you anymore? After the 12th month you can terminate the agreement, paying only what you have received until then.

→ TECHNOLOGY FOR FREE

Plan your purchases of cosmetics with us, and you will be able to choose one of our technologies for free!

→ BUSINESS TO BUSINESS

You have already bought one of our technologies, and you would like to replace it with another one? You can do it with us, within 12 months from the purchase.

→ IN & OUT CLIENT TEST

You like a certain technology, but you are not sure of the customers' feedback? Let's make them try it: if they like it, the device is "IN" otherwise it's "OUT" without any commitments.

→ PROFIT GUARANTEE & FINANCIAL PARTNER

You are sure of buying one of our devices, but you are worried you won't be able to cover the monthly instalment? This is the formula for you!

WITH BALDAN GROUP YOU ONLY PAY FOR THE DEVICES IF THEY GENERATE AN INCOME.
WE COLLECT AND OVERVALUE YOUR SECONDHAND EQUIPMENT.

"Our strength lies in the creation of a partnership with our clients, letting them test the treatments first-hand with free demonstrations we organize with our beauty therapists directly at the centres, with great results."
